Developed Features

Login page

The screenshot shows a web application's login page. At the top, there is a dark blue navigation bar with links for 'Home' and 'About' on the left, and a 'Login' link on the right. The main content area is white and contains a 'Log In' form. The form has a title 'Log In' and two input fields: 'Username*' and 'Password*'. Below the input fields is a dark blue 'Login' button.
